Van Gogh Stained Glass Coloring Book

Synopsis

Vincent van Gogh used a vibrant palette of Prussian blue, chrome orange, vermillion, and other bold colors to express moods rather than literal reality. These 16 full-page black-and-white reproductions of his most popular works – including The Church at Auvers, Van Gogh's Bedroom, and Still Life: Vase with Twelve Sunflowers – offer chances to get adventurous with color. Afterward, hold the translucent pages up to a light to admire the brilliant stained glass effects.

Book Information

Paperback: 32 pages

Publisher: Dover Publications; Clr Csm edition (June 26, 2007)

Language: English

ISBN-10: 0486456714

ISBN-13: 978-0486456713

Product Dimensions: 0.2 x 8.2 x 10.8 inches

Grade Level: 6 - 8

Customer Reviews

Although his works fetch record-breaking prices at modern auctions, Vincent van Gogh (1853–90) sold only a single painting in his lifetime. The artist labored in obscurity, creating hundreds of paintings and more than 1,000 drawings in the 10-year period before his suicide. His posthumous fame grew quickly, and his influence on Expressionism, Fauvism, and other branches of modern art is beyond calculation.

It is hard to recreate anything done in paint or watercolor with colored pencils. This was not the best choice coloring book for colored pencils. I love Van Gogh's work and the pages look very nice and are a good quality. You could attempt water color on a very small scale.

This book brings me back to childhood memories. I loved doing these coloring books. This one has some of Van Gogh's famous pieces to color in. Haven't colored in it yet, but I intend to get to it.

Markers smear on paper.

I'd been doing coloring books for adults for a while when I stumbled across these stained glass ones, which are stunningly beautiful. You can do them with acrylic paint, pencils or gel pens, and you can color them in on one side or on both for different effects. I love Van Gogh and have a huge coffee table book of his work, so most of these are in it and I can compare the colors to the original to create something similar. Lots of fun!

Just taught an art lesson focused around Van Gogh. This was an excellent little color book to show the kids the lines and composition.

It's a good stress reliever. This was my first..

Awesome! Can't wait to color these and make my own works of art.

I am very satisfied with the purchase; the product is better than I expected it would be!
