Great book!

Should be required reading for young children, especially 8-10 year old boys.

Fun book to read bout our prophets when they were younger.

This is a very interesting, fun to read collection of lesser known boyhood stories from the lives of these great men. They come to life on these pages!

This is a marvelous book which gives deep incites into the character of the boys who ultimately became prophets in this dispensation. Excellent for those who love to read about the "human side" of great men of the Church.
