Customer Reviews

I loved this book! It was good and a fun way to ENJOY reading. It may not have been the best book that I have read, but it's a close second. I love these books and I'm hoping I get the rest. I read through book 1 and 2 in 4 days. If you want a sum on characters here. Tsunami: Seawing, troublemaker, independent, and likes to fight. Clay: Mudwing, calm, big for age, brotherly substance for dragons, and loving. Starflight: Secretive, silent, Nightwing, no powers, and annoying. Sunny: Happy, Sandwing, optimistic, and not dangerous. Glory: Rainwing, highly dangerous, sarcastic, and colorful. These are great books and I recommend them to people who liked warriors, survivors, and seekers. Tui t. Sutherland was part of the Erin Hunter team when they wrote seekers. Please read that these books are about dragons, and some love May be included. I would recommend this to children 9-14 And adults.

I bought this and another book in the series for my granddaughter who loves this series for a gift. I know she will love them.

I would give this book unlimited stars because it is so good. I spent all night reading it. I love this series so much. Everyone should read it. I love dragon books, especially this series. READ this series. I promise you will love it!

Great series for any age. I have really enjoyed these books.

I didn't read the book, but my eleven year old daughter devoured it in a single day and was engrossed in the story.... which says a lot for her. She's stopped reading other popular books/series as she has a hard time holding interest in them. (yes, she's somewhat A.D.D.). She's looking forward to the next books in the series, and I'm happy that she's reading!

Its not a bad sires, but how come kestrel has to be such a bad parent! I mean Webs is really nice but besides that i LOVE the books!, keep it up!

Great book. Fast mailing

My 8 year old loves this series
