Customer Reviews

This book is a simple retelling of the story of Jesus' birth, childhood, and teachings.

Jane Werner Watson was the original editor of the first 12 Little Golden Books that launched in 1942. She went on to write scores of Golden Books for the next several decades, including the bestselling My Little Golden Book About God. She died in 2004. Jerry Smath has been a prolific illustrator of Little Golden Books, and other children's books, for decades. He lives in Croton-on-Hudson, New York.

Delivered on time. Cute book for children, though I bought it for an adult friend whose English is limited to understand who Jesus is.

My 22 month old son loves this book and asks for it regularly. While the story is still a bit mature for

him, he likes to listen to it and the pictures are engaging. As he gets older, he will begin to understand some of the story and I'm glad that this book captures his interest now so he can grow with it. I bought it for Easter but it's not necessarily Easter-themed. It tells the whole story of Jesus's life so it's really appropriate year round.

A little dry for a preschooler. Cute pictures but the words were not as child friendly or developmentally appropriate as I would have hoped. Quickly bored my son. Was hoping for better.

Love this little book for nighttime story for my grand children! Provides education about Jesus! Great book and great price!

Gift for my nephew. I absolutely love these Little Golden Books. Definitely will keep buying these books. Great books for children and bedtime stories.

So special to still have books for children about Jesus and my grandchildren loved them !!!!!

My daughter loves this book a lot, it's a very good read for us and is great for a baby.

Adorable book about Jesus!
