Nice book. has many of the traditional gospel songs that us old timers love. For me, the font could be larger making it easier to read, but it's still a great volume. It includes tabs and chords. Also all the lyrics to the songs. It has large chord diagrams too, in case you come across a new chord you haven't played before. If you play the ukulele and you like traditional gospel hymns, you need this book.

Hymns are in various keys, and the melody tabs are really nice if you don't read the treble clef. The included hymns have from 2-8 chords, but most have 3-5 chords. As in all of Balinger's uke books, there is a wonderful section in the back with helpful strumming patterns and finger-picking patterns for those who want to play beyond beginner strumming.

Nice enough song selection, but don't like having verses, besides verse 1, and chord diagrams on separate page. All the extra verses are just in a paragraph without chord notations and chord diagrams are on separate page. Obviously, I am new at playing, but all the other books I have purchased display all verses with chord notation above where it is to change key and the list of chord diagrams are at the top of the page with the song.

Thrilled with the hymns included and very grateful that the chords are pictured beside the song. My only complaint is that some of the words for extra verses are mixed up. The page beside "Joyful, Joyful We Adore Thee" has words to "Fairest Lord Jesus" and next to "Come, Thou Fount of Every Blessing" are the words for verses of "O Worship the King." Still, I can always get out the hymnal for the right verses.

Great book for the spiritual ukulele player. Easy chords for the beginner.

Nice selection of songs with tablature and notes. I can play on my uke or mandolin. Music is large print and section on strums is useful. This book is a nice addition to my library.

I truly enjoyed using this book. It had a lot of the old time hymns in it. They were easy to play. Because of the Tab it was easy to fit in melody along with chords.

This book has it all, great hymns and instructions on how to play the ukulele.
