Coyote Peterson's™ Brave Adventures: Wild Animals In A Wild World

Synopsis

#1 Best Seller on !Be Brave? Stay Wild!Animal Stories for Kids: Coyote Peterson's Brave Adventures: Wild Animals in a Wild World chronicles some of the wildest encounters Coyote Peterson has had over the course of his travels. The stories begin with his first snapping turtle catch as a kid and lead down a trail of incredible moments he and his camera crew have had while filming their Brave Wilderness shows. From a giant alligator that nearly caught Coyote in its bone crushing jaws, to an 800 pound Grizzly Bear that helped him teach the audience what to do and NOT do if you ever encounter one of these enormous predators in the wild, every tale is laced with fast paced action and daring adventure. With the presence of danger often looming for Coyote, each story reminds the reader that animals rule the wild places of this planet, and if we respect them from a safe distance, even the most frightening creatures are more likely to be afraid of us than we should ever be of them. Exciting animal stories for kids of all ages, this collection of short stories aims to give the reader a first-person perspective into some of Coyote's most harrowing and heartwarming adventures.
