THIS COULD BE a beautiful coloring book, but is filled with misspelled words, errors through out. Many of the pictures could be frame worthy, until you look closely. It's misspelled or misquoted. How sad that a beautiful book is ruined because no one bothered to thoroughly proof read it. I shouldn't even give this book 3 stars due to the errors, but the artwork is spectacular.

I don't know what translation this author used, but I definitely think some of these translations are wrong. One of the verses used is Psalm 7:11 the book version is God is a fair judge, a God who is angered by injustice every day. Per the NKJV it should read a God who is angered by the wicked every day. I always go with the New King James version as it is one of the most faithful translations of the original Greek and Hebrew. Bibles that paraphrase like the one she must have used just don't translate it accurately. There is a huge difference between injustice an act/verb and the wicked which is a person/noun. One more example is 2 Corinthians 5:7 which in the book she has I will walk by faith even when I cannot see. Huh? Does that mean I have to be blind to have faith? It

might read that way to someone who is not familiar with the Bible, actually it reads in the NKJV For we walk by faith not by sight. Also even though they say they proofread, there is still a typo issue an egregious one like someone who didn't bother to look up the verses just didn't catch it, because the words were spelled right. The page said, "Lord, SHOWED ( capitalized by me for emphasis) us the Feather, that would be enough for us. It should read Lord, show us the Father, that would be enough for us. It even has a feather on the page so someone didn't know what they were doing. Seriously how could an editor even if they weren't familiar with the Bible think using showed in that verse made sense lol. I don't fault the author if they didn't know the version they used wasn't actually the best translation, but still not a good thing for those who are seeking help through God's Word for the first time or one who is new to the Bible and learning. I do like the designs so it is a shame that in some cases the translation used leaves a lot to be desired.

verses are wrong. I have found 3 versers that have things spelled wrong or not in the right form. I have only colored 4 pages and Have found these 3 So the proof reader is very bad at Bible verses.

MULTIPLE Misspellings throughout and the QR code for free downloads does NOT work. Total disappointment Have no faith in this product Too bad didn't preview the book first before placing on its site.

Really like this coloring book. I have quite a few adult coloring books and this is by far my favorite. The patterns are beautiful. Not too complicated that it is hard to color but can be a bit challenging. I highly recommend this book

I just recently purchased this coloring book. I really like the pictures. My only complaint is that the pages are not perforated. I like to color on a lapboard and then keep my pictures in a binder.

I am very happy with this coloring book! It is pretty detailed, but not so intricate that you can barely color. I do believe that some kids could easily do it. Overall, I am very pleased with this book. I do recommend it; definitely worth the money.

Bought this as a gift and loved it so much, I almost kept it for myself. I'll definitely be buying one for me. Lovely, calming designs with nice variety between more simple and intricate. One of the best I've seen.
