250 Things To Do In Cyprus On A Sunny Day*

Synopsis

Are you planning to travel around Cyprus and are you looking for a reliable, insider guide? If so, you need *250 Things to Do in Cyprus on a Sunny Day** - the travel guide by Chris Alden, a writer who has lived in the beautiful Troodos foothills and has been visiting the island since he was a child. It's full of honest recommendations of things to see and do, on and off the tourist trail - including the best beaches, the best tavernas, the most sublime mountain scenery and the most evocative ancient sites. It covers the whole island - including Paphos, Limassol, Troodos, Nicosia, Larnaca and the north - and has tips for sporty types and arty types, lovers of wildlife and fans of authentic Cypriot food and drink. It also includes more than 100 useful web links. Buy *250 Things to Do in Cyprus on a Sunny Day** - and discover more about the island of Cyprus, today.

Customer Reviews

We bought this and the Rough Guide to Cyprus and found ourselves using *250 Things to do in Cyprus on a Sunny Day* much more. We stayed in Pissouri (near Paphos in the south). He loves Cyprus and lived there himself - if you want a taste of the real Cyprus this is a great choice.

This was excellent and we took advantage of many suggestions, visiting Paphos, Trodos, Limmasol, Nicosia, and northern Cyprus. Real value for money.

lots of good info but prices and directions would be helpful

Haven't been to Cyprus yet - but it all sounds good!

Not positive on its present accuracy, but otherwise it was exactly what I was looking for.

Great informative book with so many good ideas for everyone

If you decide to explore the island, this book will come in handy. We only decided to rent a car when the weather in Pissouri gave us 3 solid rain days in May. I bought the paper edition, forgot it at home, and then downloaded the Kindle version, which was actually quite handy when you need to search for things quickly like "carob museum". The book is divided by region, provides the highlights and can be easily read/referenced. Together with a basic island map, you should be all set, as all roads are in fine condition and nicely marked. I liked it best for suggestions or tips on the "must see" attractions. Only a few times, where we were unable to locate a little pub or restaurant.

very useful
