The Wrinkle In Time Quintet Boxed Set (A Wrinkle In Time, A Wind In The Door, A Swiftly Tilting Planet, Many Waters, An Acceptable Time)

Synopsis

The Time Quintet by Madeleine L'Engle consists of *A Wrinkle in Time*, *A Wind in the Door*, *A Swiftly Tilting Planet*, *Many Waters*, and *An Acceptable Time*. The digest box set features the art of Tae-eun Yoo. *A Wrinkle in Time* is one of the most significant novels of our time. This fabulous, ground-breaking science-fiction and fantasy story is the first of five in the Time Quintet series about the Murry family. *A Wrinkle in Time* is soon to be a major motion picture from Disney, directed by Ava DuVernay, starring Storm Reid, Oprah Winfrey, Reese Witherspoon and Mindy Kaling. *A Wind in the Door* • When Charles Wallace falls ill, Meg, Calvin, and their teacher, Mr. Jenkins, must travel inside C.W. to make him well, and save the universe from the evil Echthros. *A Swiftly Tilting Planet* • The Murry and O'Keefe families enlist the help of the unicorn, Gaudior, to save the world from imminent nuclear war. *Many Waters* • Meg Murry, now in college, time travels with her twin brothers, Sandy and Dennys, to a desert oasis that is embroiled in war. *An Acceptable Time* • While spending time with her grandparents, Alex and Kate Murry, Polly O'Keefe wanders into a time 3,000 years before her own.

Customer Reviews

• *A Wrinkle in Time* is one of my favorite books of all time. I've read it so often, I know it by heart. Meg Murry was my hero growing up. I wanted glasses and braces and my parents to stick me in an attic bedroom. And I so wanted to save Charles Wallace from IT. • *Meg Cabot on A Wrinkle in Time* • A book that every young person should read, a book that provides a road map for seeking knowledge and compassion even at the worst of times, a book to make the world a better place. •

•Cory Doctorow on *A Wrinkle in Time* œA suspenseful, life-and-death drama that is of believable cosmic significance. Complex and rich in mystical religious insights, this is breathtaking entertainment.

•School Library Journal, starred review on *A Wind in the Door* œMadeleine L'Engle mixes classical theology, contemporary family life, and futuristic science fiction to make a completely convincing tale that should put under its spell both readers familiar with the Murrys and those meeting them for the first time.

•The New York Times Book Review on *A Wind in the Door* œAn intricately woven fantasy ... Theme is L'Engle's greatest forte, and once again she proves this with a compelling plot, rich in style that vibrates with provocative thoughts on universal love, individual caring, and the need for the joy in living.

•Booklist, starred review on *A Swiftly Tilting Planet* œThis will be enjoyed for its suspense and humor as well as its other levels of meaning.

•Kirkus Reviews on *Many Waters* œL'Engle blends speculative fiction with biblical theology to create another provocative spellbinding tale.

•Philadelphia Inquirer on *Many Waters* œL'Engle has again achieved the award-winning style of *A Wrinkle in Time* ... Highly recommended.

•VOYA on *An Acceptable Time*

Madeleine L'Engle (1918â“2007) was born in New York City and attended Smith College. She wrote more than 60 books, the most famous of which is *A Wrinkle In Time* (1962), winner of the Newbery Award in 1963. L'Engle continued the story of the Murry family from *A Wrinkle In Time* with seven other novels (five of which are available as *A Wrinkle In Time Quintet* from Square Fish). She also wrote the famous series featuring the Austin family, beginning with the novel *Meet The Austins* (1960). L'Engle revisited the Austins four more times over the next three decades, concluding with *Troubling a Star* in 1994. The story of the Austins had some autobiographical elements, mirroring Madeleine's life and the life of her family. Madeleine L'Engle's last book, *The Joys of Love*, is a romantic, coming-of-age story she wrote back in the 1940s, that was recently published by Farrar, Straus and Giroux.

Bought this for myself to read after surgery during my recovery period. I remember reading the first book in the set as a child and loving it. This set is very nice and I loved reading them. Convenient that the books are in a little box so that it's easy to lend the books to others. The set came on time and was properly packaged by . :)

I have loved *Wrinkle in time* since I was a kid. I have 3 sets in paperback, but had not realized there was a 5th book. I love having it on my Kindle.

Wonderful for all ages. The author has a sensitive regard for life and her readers. Wow! This was a gift to grandchildren since I personally love the set.

I've started to read this series to my kids. I remember reading the first one as a kid but didn't know there was an entire series! To my pleasant surprise, they come in a nice box set. Perfect!

11 Year old girl loves this set!

I read Madeleine L'Engle when I was much younger and enjoyed reading them myself. Now I enjoy giving the books to young people. She's continues to be worth reading!

I first read A Wrinkle In Time as a child, and loved it! It was so wonderful to reconnect with these beautiful people, and the stories I hadn't read then charmed me as well. Great books for young people (and the young at heart).

12 year old seems to enjoy the series
