I love this deck! I've dabbled in Tarot for years but never took a serious interest. This deck changed all that. The imagery is beautiful, powerful, and profoundly inspirational. Something about it just "clicks." The pamphlet it comes with is bit bare-bones, but it gives you just enough to work with provided you already have a basic Tarot background. The characters on the cards seem familiar and the artwork is sumptuous yet whimsical. It's hard to put into words, but there is something very special about this one.

I am very pleased with this deck! The deck is beautiful and it speaks to me. The card stock is excellent. Some of the Lo Scarabeo decks can be a little thin, but this card stock is sturdy, easy to shuffle, and feels good in my hands.

Beautiful deck! I'm still working on really connecting to this deck, but the art work is gorgeous! If you are a fairie person, this is a safe deck to go for!

Love the illustrations on this deck and only wish it was better quality then the standard lo scarabeo fare. Still very enjoyable and so much better then the very plentiful computer-graphics-fairy-crap decks

These cards are beautiful, I adore the artwork. Though, the images on the cards don't always seem to fit with the meanings that I know and work with. Despite that, they read really well. Over all I really like them.

I really enjoy the images on theses cards. The deck felt good to me immediately. It is now one of my favorites.

Loved!!!!

Very pleased with product and speed of delivery.... thanks!
