101 Things I Learned In Law School

Synopsis

The complexities and nuances of the law are made accessible in this engaging, illustrated guide. From the structure of the court system to the mysteries of human motivation, 101 THINGS I LEARNED® IN LAW SCHOOL reveals the intricacies of the legal world through questions big and small: What is a legal precedent? What is foreseeability? How can a hostile witness help one's case? How is legal argument different from other forms of argument? What is the difference between honesty and truthfulness? Written by an experienced attorney and law instructor, and disarmingly presented in the unique format of the 101 THINGS I LEARNED® series, 101 THINGS I LEARNED® IN LAW SCHOOL is an invaluable resource for law students, graduates, lawyers, and general readers.

The Author has managed to select 101 unique statements, which highlight items you ought to know,

whether you are an experienced lawyer or simply a layman. Some "obvious" truth suddenly gets new meaning and importance, when you see the statement reduced to powerful 3 -4 liners. The addition of simple but powerful drawings, sketches, which beautifully illustrate the points made in the book, makes for a most fascinating read. You continuously tell yourself - "I must remember this statement", so useful for future debates, even dinner table conversations. Read it and keep it handy to review and continuously update your memory of these subtle true statements.

fun to read.

This little book would help anyone dealing with attorneys or trying to understand a legal situation and its ramifications. What I found particularly helpful was the description of how the legal mind must work. A great & easy read, too. Thank you!
