Customer Reviews

Good music that is easy to play on my tuba.

Good, solid, classical tuba solos for the beginning to moderate player. I use these to run through an easy practice without too much headache when I want to just hammer some things out to keep my lips in shape.

This book is not tremendously challenging, but as a former college tuba player, its a good warm up for me as I work my way back after not playing for nearly a decade.... it would be a great book for beginners.

A nice collection of classic music melodies for tuba. Tunes familiar enough for most students to recognize and enjoy trying to play. No accompaniment is included.

Very easy tuba solos. Easily playable by even first year players.

This is a very good book for the young tuba player. Solos for those who only get to play rhythm and accents with the band. Songs they have heard before. The price was good as well.

just what I needed

I bought this for my grandson . He plays the tuba and he thinks that the songs in the book are fun.
