Warren Buffett - 41 Fascinating Facts About Life & Investing Philosophy: The Lessons From A Legendary Investor

Synopsis

SPECIAL DEAL!!! Buy the paperback version of the book NOW to receive the kindle version (\$2.99) for FREE! Warren Edward Buffett is a legendary investor and one of the most respected businessmen in the world. He is the chairman, CEO and the largest shareholder of Berkshire Hathaway. Among investing legends, Buffett has had the longest track record for beating the market. Berkshire Hathaway's stock price increased by a mind-blowing 1,000,000% between December 1964 and December 2015. The S&P 500, on the other hand, increased by "only" about 2,300% over that time. While the Efficient Market Hypothesis states that in the long term, no investor should be able to beat the market, Buffett has beaten the market in a remarkable way. So what is Warren Buffett's secret for being so successful at picking the right stocks? This book will reveal 41 fascinating facts about his life and investing philosophy. Each fact comes with a lesson that the readers can take away. On How To Get Rich, Become Successful & Dominate Your Personal Finance From The Greatest Value Investor Of All. This is a perfect book for any beginners who are looking into stock investing!

Customer Reviews

I enjoyed reading this book based on 41 factoid from Warren Buffett investment life and philosophy. Some of it was surprising, like the fact that he does not believe in diversification, and much of it as educational, particularly his explanation of the mistakes his made along his legendary career. This book is not great literature, but I found it educational and entertaining. *Ali Julia review*

...factoids (and opinions) about Warren Buffet. Would have loved if there were more references used, or tips for further reading listed.

I have just started being new investor so it really helped me. I learnt very important and detailed principals of investing successfully. It is the most knowledgeable book I have ever read. Be sure it will bring you full understanding not only in nvesting. Amazing book that everyone needs to read

This book is a great way to learn and love the stock market. Warren Buffett is an awesome person even though he supported Hillary Clinton! Liar, liar pantsuit on fire.

great

This book is overflowing with inspiration. Financial freedom in these days is rare, especially because people are not equipped with the right mental knowledge . I liked how the author nicely stated Warren Buffet investment strategies.

Never could get this book to download to my Kindle. I've never had any problems before.

Perfect
