Mark Bellomo is one of the top toy experts in the country, having written hundreds of magazine articles and numerous books. He is considered an authority on action figures, particularly Star Wars, G.I. Joe, and Transformers. Bellomo has also authored a number of amazingly detailed books on toys and popular culture: the first and second editions of The Ultimate Guide to G.I. Joe: 1982-1994, Transformers: Identification & Price Guide, and Totally Tubular 80's Toys. He also served as editor of the popular Toys & Prices, 20th edition.

Mr. Bellomo has done it yet again. This pocket guide is 207 pages and actually does fit in your back pocket but somehow reads like a full-sized guide. It is filled with color photos throughout. The vast amount of information is presented chronologically and is exhaustively researched, as we have come to expect from this author. Order this and browse around for his other guides to GI Joe and Transformers and his larger guide to Star Wars. After investigating those books, add them to your cart then buy them too.

If you want a comprehensive price guide for vintage star wars toys, do not buy this book. It has only prices for a few select vintage toys from each of the original movies. 80% of this book is dedicated to Star Wars toys from 1990 on. Get Bellomo's vintage guide and do make the same mistake I did.
