Angus' Trust (Grooms With Honor Book 1)

Synopsis

A sweet historical romance set in 1886. Angus Reagan grew up fascinated with trains and has done everything from stoking engines to applying the car brakes. Now, after being a train detective for years, he's thinking about heading home to Clear Creek, Kansas. He misses his family and community. Daisy Clancy spent her childhood in the family-run café in Clear Creek, Kansas, but she left home to work in a big city when she came of age. Still single and finally lonely for family, Daisy decides to return home and open her own business. Fate puts the two childhood friends on the same train and sparks of memories cause each to think of their future, maybe even together. But a train robbery sets them on another journey they hadn't planned on. This book series, Grooms with Honor, showcases the six sons of Pastor and Kaitlyn Reagan, first featured in the 1873 year-based Brides with Grit series. "Will you love her, comfort her, honor and keep her, in sickness and in health; and forsaking all others, be faithful unto her as long as you both shall live?" The young men have heard Pastor Reagan say these words to many couples over the years, and they vow to treat all women this way as they walk through life. Besides the Reagan brothers, the series will feature other men in their community. (Note: Two Montana Sky Kindle World stories, Nolan's Vow, and Eloy's Mission, enter the Grooms with Honor series setting right before Angus' Trust.)

Customer Reviews

This is a very enjoyable story from a great storyteller. Angus and his brothers are the types of young men every town should have living there to ensure young ladies are treated properly and with love by well brought up young men. Daisy is a great character as well. I'm enjoying this series, just as I did the last.

I love all of Linda's books. I've read them all.

I love this series. The author gives an excellent description of Kansas. I feel like I'm there. I love how I get to know each member of the town. And of course the love story is both, sweet & fun. It's Interesting, well written, and some cute surprises.

I loved this bold fr start to finish and everything in between. It was s great story and I couldn't put it down. This is a wonderful series and I can't wait to read the next book.

Full of mystery and romance of the purest form true love. I enjoyed the other two books in this series and this one as well looking forward to the rest.

This was a great story with many twists that I didn't see happening. I loved the characters and look forward to seeing them in upcoming books.

Very Sweet story and I loved the way when flustered he would name a book from the Bible. Thank you for writing and sharing it with me.
