Lil' Mama Fell In Love With The Plug

Synopsis

Raheem, the sexy tatted successful businessman, was a woman's dream and the streetâ™s worst nightmare at the same time. Unbeknownst to most, Raheem was The Plug and ruled the streets with an iron fist alongside his best friend, Jabba. Raheemâ™s first priority was to have a hand in raising his four boys, keep the streets in a choke hold and find some peace in the only woman who had truly captured his heart, Yvette. However, co-parenting with the baby mother from hell, who refuses to let go, wreaks havoc on the relationship with Yvette. Terri is the epitome of wanting your cake and eat it too. Terri is not ready to let the security blanket of Raheem go, causing her to bring nothing but drama and more drama into the lives of Raheem and Yvette. Terri strings a web of lies and deceit in order to secure the bag, with no regard for the people who will get hurt along the way. Yvette is a young teacher who is determined not to fall in love again after a heartbreak she suffered while in college. Yvette couldn't catch herself from falling once Raheem came in and snatched her soul. What was supposed to be a casual sexual relationship turned into her finding the love of her life. It appeared that Terri had won the war when one of her antics had Yvette running for the hills and leaving the man she had fallen in love with behind. She meets a man who wants nothing more than to have Yvette as his woman; however, nothing is certain when Lil Mama Falls For The Plug.
