Shoot First, Pass Later: My Life, No Filter

Synopsis

In this honest, no-nonsense book by one of the greatest American stars the NHL has ever known, Jeremy Roenick showcases his skill as a hockey storyteller. In his one-of-a-kind way, Roenick shares stories from his 20-year career with the Chicago Blackhawks, Phoenix Coyotes, Philadelphia Flyers, Los Angeles Kings, and San Jose Sharks, providing an inside perspective on the oddities of life as a pro athlete. He explains why he openly considered the pros and cons of fighting a fan, opens up about tales of partying on road trips, and even how he became friends with former Vice President Dan Quayle. In one chapter, Roenick lends the pen to his wife, Tracy, to tell her side of the story. Nothing is held back as J. R. reveals his opinions about teammates, opponents, and the future of the game.

Another great book by JR...Really enjoyed JR's first book, was excited to see he had written a follow up book...tons of great hockey and golf anecdotes and honest no holds barred opinions from JR on hockey and life in general.....Like his first book, many hilarious stories that will have you laughing out loud., Couldn't put it down. finished it in two sittings. Great job JR...thanks for another super entertaining read..

4 Chapters in and I hate it...all I can say is who in the hell cares what his daughter has done in life????

Thoroughly enjoyable from start to finish... Felt like I was sitting in a bar with the man listening to him reflect back on his career and life telling it like it is, the good, the bad and everything in between. To be honest much more than I was expecting - thanks for letting us in JR :)

Not bad. Just not great. JR is still a fascinating person and I would still recommend. C+/B-. Go Flyers. #97

It was fun to be first-hand in some of them. We all miss him in San Jose. He is hard to replace.

I really enjoyed Jeremy's honesty. I absolutely loved his explanation and reasoning for not charging for autographs and why he goes the extra mile in guest appearances. Great guy!

Just love the honesty and the stories. Jr is a really decent guy who is not afraid to share so many important moments from his life. He leaves everything out there. The stories in this book are great. If you liked his first book, you'll love this one.

JR wants to own and run a hockey team. This was an open letter to the commish about what a great guy he is, not necessarily was and what a great Parents he and his wife, Tracey are, how he would run a hockey team and what great respect he has for Bettman.
