Synopsis

This walking guide of Corfu is intended to be used with the audio walking tour offered by Worldwide Discovery Walks and available for download at www.worldwidediscoverywalks.com. With some 20 points of interest described in this walking guide, your exploration of Corfu's beautiful views and historic spots is limited only by your personal wishes. From the historic Old Fort and New Fort to the renowned Liston overlooking the huge park area known as the Spianada, the somber beauty of the Church of Saint Spyridon, the history of the Church of the Antivouniotisissa and the glorious views from the overlook near the Church of the Holy Mondrakina, your Discovery Walks stroll through Corfu will provide unforgettable memories of this wonderful city. If youâ™ve taken any of our self-guided audio walking tours of beautiful historic cities in Europe Iâ™m sure youâ™re familiar with the Discovery Walks approach to exploring a city. We have carefully constructed what we believe to be a perfect waking route that will lead you along some of the cityâ™s most interesting and historical streets and past many of its most memorable locations. This walk is not designed to give an exhaustive and tiring description of every site along the walk but rather to provide concise summaries of each siteâ™s history and its importance in the culture, lifestyle and design of this marvelous city. These walking instructions will help you to stroll between each spot along the route so that youâ™ll be able to navigate the route with ease, like a native. And using the zoom feature of the map you can view the entire walking route at one time or zoom in on any particular location. If you enjoy this book we hope youâ™ll also try some of the other books available in the Worldwide Discovery Walks series.
