Customer Reviews

Samantha Price has really out done herself on this book The Amish Bachelor, from the very first page you are going to be hooked on the story. Isaac has a girlfriend, but you can see it is more like just a friend to him but look out, Mary Lou is not one to get on the wrong side. Isaac has six brothers an he is the oldest an his Mom an others in the family think it is time for him to settle down with a

wife, but for some reason is not so sure. Life then takes a turn when Isaac goes into work on Monday, when he gets there the first thing that he sees is the door is unlocked and lights are on, first thing that came to mind is that someone broke in. Then the look that was most likely on his face when he sees this petite young woman sitting in his chair at his desk. Who are you and where did you come from and why? The young woman looks at Isaac and says, I take your father didn't tell you about me? So I think it is best you find him and talk with him. Hazel just kept doing what she was doing and left Isaac wondering what was going on and that he can't wait till his father comes in and answers a few questions. I know that if you have read this far you're going to get the book and read for yourself what is going on. You are really going to be into the story after you meet Mary Lou, not sure how you will take her but I wanted to shake her up and send her to the moon. But everyone gets a different feeling about the people in the story but I would not ever trust Mary Lou. Please read and make up how this book makes you feel, it made me feel that I can hardly wait for book two. I loved book one and I sent a message to the author which I beg you to do the same and also make your ideas of the book in a review telling others about it. Tell all your friends how much you liked this book because I just can't imagine anyone not loving it.

What a novel idea. Love from the perspective of an Amish Bachelor. Leave it to Samantha Price to add a unique twist to her books. This is a story about Isaac Fuller, the oldest of 7 brothers. Isaac is about to marry Mary Lou and take over the family business one day. His father has ideas of his own and employed Hazel to be bookkeeper for the company. Isaac has been doing this job, along with many others and not too happy with a girl taking over his responsibilities. Isaac and Hazel manage a working relationship that grows into friendship. In the back of Isaac's mind, he remembers Hazel from his childhood, but this can not be. Hazel has a secret and not ready to share it with anyone. Will Hazel and Isaac ever become more than business friends? What about Mary Lou. Read THE AMISH BACHELOR. Outstanding story, as we always expect from the wonderful author, Samantha Price. Starting Book 2 tonight.

Amish Bachelor by Samantha Price is a wonderful book. I loved it & really enjoyed reading it! I look forward to reading the other books in series. A MUST READ!!

Really enjoyed reading the first book of this series, love to read about God & his grace & blessing he shows us & gives us. I love these books

A truly romantic story of two people who finally found each other through fate. Amazing how their faith remained strong.

Samantha Price is one of my favorite authors. Sometimes its hard to know your heart and you find yourself following plans that are pushed on you. It's good that Isaac was stubborn and knew in his heart he shouldn't be pushed into a marriage he wasn't sure about. The role of family care giver can begin as a child. Broken families are very hard for children. This is another clean romance novel suitable for teens to

This book was very well written with a lot of suspense. It was like you were right there. His dream came true.

First, I never heard of Amish computers but it went well in the story. It was great. I read it in one day! Loved it!
