ISBN-13: 978-1741793314

Product Dimensions: 3.7 x 0.5 x 5.5 inches

Shipping Weight: 2.9 ounces (View shipping rates and policies)

Average Customer Review: 3.4 out of 5 stars 8 customer reviews

Best Sellers Rank: #363,852 in Books (See Top 100 in Books) #5 in Books > Travel > Europe >

## Customer Reviews

Good reference - probably would have been easier to have one index instead of 'Food' separate - had to figure out where to look - couldn't find lots of words but didn't expect small book to have everything! Pictures of signs would have been nice - cyrillic alphabet on signs looked different than in book - but overall good investment - used it a lot & almost learned alphabet.

Same as other reviewers, it's hard to find what you are looking for. Thankfully, SO many people in Bulgaria speak English! Even the ones who don't know enough to get by! What a treat! I didn't have to pull out the book once! :)

Pocket sized and easy to use. This was a really helpful book for my short 9-day trip to Bulgaria, but it's written for a stay of a few months. I left it behind in the country with a friend who will be there longer. Most of the words and phrases I needed were here, and the book layout was thought through. LP spends a whole chapter up front describing the alphabet and phrase building, which is interesting, but just marginally helpful for a short trip. From that perspective it would have been handy to have a more lengthy lexicon of phrases up front to get around on the fly. The pronunciation guides were good and easy to follow. My suggestion would be to dedicate an entire quick reference section up front for the most needed phrases and words.

I used a few of the phrases out of the book, it was useful

My fianc  is Bulgarian. I got this book so I could speak a little Bulgarian when I went to meet her family. When I showed her this book she actually got offended at how badly the book had butchered her mother language and she's a really laid back person! She looked through the book and found all sorts of wrong words, spelling mistakes, grammar mistakes, pronunciation errors, or words that might have been common in the 1960's but are now no longer in use. Would not recommend!!!!

Excellent reference book. I will have it handy when visiting Bulgaria in Sept.

It has decent phrases for a beginner or random visitor to the country.

Do yourself a favour and save your money - the amount of mistranslations, spelling, pronunciation, grammar and all other mistakes is absolutely unbearable, shameful, embarrassing, and painful to look at. If you would like to spare yourself the embarrassment, don't buy this book.
