Serve sensational JELLO molds! 56 cool creations for family meals, casual gatherings and special celebrations. Easy step-by-step instructions, complete with chilling times and menu suggestions. Create a masterpiece every time! Filled with ideas for preparing, garnishing and presenting impressive molds. Our best recipes for salads, appetizers, accompaniments and desserts.

Classics and spectacular new ideas for every level of dessert maker. This book is a must have for anyone trying to preserve family tradition in the kitchen. There's an exciting array of vintage jello molds available everywhere nowadays, from Etsy to thrift stores. Everyone is coming back to the joy of jello!

Who says that bringing Jell-O as a dessert is not classy? This book gives great detail about the process of using Jell-O molds, as well as plenty of practical and delicious recipes. If you do decide on using some of the recipes make sure you have both a 5 and 6 cup Jell-O mold. I only have a 6 cup (looking for a 5 cup) thus some of the recipes I could not try. Happy Jell-O eating.

This book gave insightful tricks and tips to help move you from being a complete beginner, to being an advanced Jell-O maker. I have already used a couple of the recipes, and look forward to using more.

This book is great. It has all of the classic Jell-o recipes you remember from when you were a kid, like Under-the-Sea salad, rainbow molds, ribbon salad. The book also has more modern recipes for the more recently developed "sparkling" jell-o. Great color photos throughout the book. Jell-o desserts had fallen out of fashion over the last few years, but with the retro food craze, I think we will see a revival. This book is a great place to start. My only complaint is that I wish there were more recipes.

Bought it as a gift for a very good chef who loved it and immediately used it. Great.

I was looking for more creative ideas or recipes. Overall the book was nice and offered some tips which was expected but nothing really got my attention.

good book

great recipes and fast shipping
