This is a very limited point of view review. I gave this book as a gift twice. Both times the receiver is engaged in it and loves it. Both recipients are native to the Philippines so the book brought back memories for them. They do visit the country regularly and was still in awe of the book. One recipient's home is located in the same location as the picture on the back cover. I watched both recipients reminiscence with their loves ones, and share with their children and grandchildren. Neither had anything negative to say about the book and as far as I am concerned they are the experts as I am not even Filipino. From my observation it was engaging, colorful and a real accurate depiction of the Philippines.

I was hoping to learn more about the Philippines and was really looking forward to seeing a map of the islands. No such luck. Pretty pictures but you will not be able to pinpoint any of the locations within the book.

Awesome book. Bought for my grandfather who spent time in the Philippines and misses it. He had me show him each page when I brought it to him. He took in every detail and showed me things going on in the background and stories from when he was there. He loved it and so did I.

Bought this for my Daughter-in-law who is home sick for the Phillipines. Made her smile. Beautiful place, beautiful pictures.

I am an expat living in the Philippines for 8 years and have given this book to over 20 of my family & friends in the US. Best book for a coffee table book to be enjoyed by all. Great Photos, Everyone comments of this book. Great price

Perfect focal point for conversation in my living room. Great photos and historical/cultural text for newbies to Filipino culture and Filipinos alike.

a small "coffeetable" book to help establish ethnic identity and pride in grandchildren - but also information and glorious photos for all viewing it.

I like this book. It presents the beautiful and historical places of the Philippines. Being written by a

Filipino, it depicts the country with a genuine feeling of pride and love.
