I placed my order for edition 3 and something else came in. Not good.

This was listed as 3rd edition when in fact it is 2nd edition. I had to purchase a 3rd edition elsewhere.

This is an awesome book. Easy to read with great scenarios to get you thinking. This book is a great reference book and has been helpful throughout my first class to becoming a School Counselor. Highly recommended!

An excellent school counselor resource that is thorough & easy to read. Should be a required text for all college school counselor education programs. I am currently using it as part of my college Post-Master's School Counselor's State Certification program. Again, excellent.
