Customer Reviews

Don't waste your money on this digital book! Zero photos, zero maps. No hotel recommendations - just suggestions to utilize web sites such as Trip Advisor or air BnB. Language pages - only have Russian (no Ukrainian phrases and while most if not all people I met spoke Russian, they also spoke Ukrainian and seemed to appreciate it when we said thank you in Ukrainian) Better you spend 30 minutes Googling 24 - 26 - 72 hours - 3 days in Kiev - you'll save a few bucks and get much better information.

Too much to pay for such a small book. Information in the book is good, but not accurate.

Waste of money..no value. Arrived late, no useful information. Few key language phrases, no where to go for food listings. A promotion book for a web site...don't waste your money!
