George Washington Carver: The Life Of The Great American Agriculturalist

Synopsis

The Library of American Lives and Times â„¢ Extend the learning through this new biography series. The Library of American Lives and Times use extensive primary resources as it brings American history to life for your students. Learn about some of the greatest players who helped in shaping America as it grew from a colony to a world super power. Through a chronological narrative, enriched with diary entries, letters, and other primary documents, students will learn about the various stages of our nation's development, as well as learning to think about history from the perspective of both individuals and society. By learning about history from a particular and unique biographical perspective, each student will learn about the following themes that form the framework for the social studies standards: Culture; People, Places, and Environments; Individual Development and Identity; Individuals, Groups, and Institutions; Power, Authority, and Governance; Production, Distribution, and Consumption; Global Connections: Civic Ideals and Practices. George Washington Carver: George Washington Carver began life as a slave in the tumultuous world of preâ„¢ "Civil War Missouri. After the war, the orphaned Carver worked as a farmer, a hotel cook, and a laundryman while pursuing an education. As a professor at the Tuskegee Normal and Industrial Institute, Carver spearheaded the initiative to cultivate peanuts, soybeans, and sweet potatoes to revive the Southâ„¢s dismal agricultural economy. Researching the domestic and industrial possibilities of these crops, he invented peanut butter. "These attractive titles serve not only as quality report sources, but also as general interest titles." - School Library Journal --This text refers to the Audio CD edition.
