Customer Reviews

We love Dr. Seuss books and we were all excited about finding some of his books translated to Spanish. Our daughter likes it a lot. It has good illustrations. Although we find this book a little bit tedious to read lol probably because some of the rhymes are not as clever as if you read the book in English but it's ok. Not our favorite Dr. Seuss book but it's a good book to get.

My daughter loves this book and it was in great condition.

Hermoso libro con un poderoso mensaje para los niños. A mi nena de 4 años le encanta :)

A mi hijo de 7 años le encantó y a mi esposo me fascinó el mensaje del cuento. Uno puede llegar tan lejos en la vida como uno se proponga. En ocasiones no será fácil pero no nos debemos dar

por vencidos. Me encantÃ !

The book came on time and in perfect conditions. I bought it for a gifts for my nephew; I'm sure he will like it.

:)

Based on reviews of how well the story is translated into Spanish I ordered this one and the El Lorax. I am glad I did because they are both translated very well and still keep the rhyming and type of writing that Dr. Seuss is known for.

Awesome gift for my senior Spanish students :) Thank you
