Lock Picking Like A Pro: From Locked-Out Resident To Expert Lock Picker In An Instant!

Synopsis

It is too late at night or too early in the morning by the time you get home. You are quite wasted, tired and just want to get into your apartment, put on your fluffy pyjamas and crash and burn. You start digging into your pockets and even search the ground, hoping to find the key, but it is useless since it refuses to be found anyway. You realize that find yourself locked out. If only you paid attention before and learnt how to pick a lock, you could've done it easily all on your own in seconds. Fortunately, you won't need to hire a locksmith at such an ungodly hour. We have some great top secret tips for you and all the information on how to pick a lock with several different common and converted home items you can easily get your hands on.

Customer Reviews

No info talks of hypothetical situation and then doesn't help. Worst book for the subject of lock picking. Save your time and money

No pictures just a bunch of descriptive words, but interesting read if nothing else. Kindle sucks they

make you review things

This seemed like a three year old wrote it. No real information at all. Wish I could get my three dollars back

This book is crazy. Screwdrivers, credit cards, Bobby pins.... This is a Hollywood style book. Not meant for a PRO
